

# Software, training or project questions?

Schedule your One-on-One Consultation with:  
Customer Care, Solution Consultants, Professional Services & Support today.

More Access to New World Team Members than Ever Before...

# CONSULTATION & SUPPORT

## Another Reason Not to Miss this Year's Conference...

### One-on-One Meetings with Customer Care, Solution Consultants, Professional Services and Support

- **Software questions?**
- **Implementation, training or project questions?**
- **Interested in seeing the latest product?**

Don't miss your opportunity to meet face to face with New World team members to address issues and questions you may have about your software. We've extended our 2010 Logos Executive Customer Conference schedule and will have more New World team members on hand and available to meet with you individually.

- Discuss new product information, software releases, user group coordination, and meet New World's Solution Consultants with your Customer Care Representative.
- Address product issues, questions about implementation or training, project updates and more with New World Professional Services and Support.
- Meet with Product Specialists for product demonstrations, scheduled through your Customer Care Representative.

### One-on-one sessions are available during the conference:

- Sunday - September 12, 2010      1:00 p.m. - 5:00 p.m.
- Monday - September 13, 2010    10:15 a.m. - 5:00 p.m.
- Tuesday - September 14, 2010    9:15 a.m. - 5:00 p.m.

#### How to Sign-up:

- We encourage you to pre-register for one-on-one sessions!
- All registrations are booked on a first-come, first-served basis.
