More Hands-On Experience & Training than Ever Before...

Don't miss your opportunity to explore New World's software during new Educational Hands-On Labs at the 2010 Executive Customer Conference. A variety of Labs will cover everything from Logos.NET eSuite, Business Analytics specifically for FM, HR, UM and CD, SSRS Reporting, Next Generation of HR, and What's New in Release 7.0 for FM, UM and CD. This is your chance to get questions answered, learn new functionality and actually use new features and software.

What You Need To Know:

- Twelve 45-minute Lab sessions will run half day on Sunday and all day Monday and Tuesday during the Conference
 - 5 Lab Session topics will be repeated; eSuite, SSRS Reporting, Business Analytics for FM, Next Generation of HR and What's New in 7.0 for FM
- New World will supply 15 pre-loaded laptops, set up in advance in a dedicated Lab room
- Conference attendees must sign up to reserve a seat by a laptop to participate in a Lab Session
 - Sessions are limited to **30 seats**, or two people per laptop
- Lab Sessions are open to everyone; participants are not required to have licensed any previous version of the software covered in that Lab

Lab Sessions will fill fast - Sign Up for a Lab Today!

Although Lab sign-up sheets will be available at the Registration Desk during the Conference, we strongly recommend signing up for a Lab Session in advance of the Conference. Sessions are first-come, first-served availability.

IMPORTANT: You must reserve a seat at a laptop to participate. If your name is not on the Lab Sign-in sheet and the lab is full, you will be asked to observe and not participate in the lab.

To sign up for the Hands-On Labs in advance of the 2010 Conference, please contact:
Sarah Bajek at sarah.bajek@newworldsystems.com

*Please include the Lab Session and time you would like to register for and the name of the person you will be sharing a computer with (if applicable) in your email. Please do not sign up to attend more than one of the same Lab Session. You must be registered for the Conference before reserving a seat in the Lab Sessions.
